[how to tame your duke a princess in hiding 1 by](#)

Say what you want about Juliana Gray, but she's certainly not going to let anyone call her stories boring. For How To Tame Your Duke - the first in her new series - she decides to lasso in the cross-dressing heroine trope and add in stuff that reminds me of everything from Jane Eyre to The Phantom Of The Opera.

I took the train into Manhattan and read this book on the way in and the way out. On the way in, I was so excited to read it, I practically ran down the aisle to get a seat and start reading. On the way back, after the story had turned to goofyville, I had to lecture myself to finish it, as I was so close to the end and maybe, maybe it would turn around.
